

OFFICE OF STUDENT ACCOUNTS
REQUEST TO WAIVE THE WELLNESS CENTER FEE
Fall 2016

The Wellness Center Fee is optional only for Graduate (excluding Law and Medical), Medical Science, and RSMAS students. The fee is charged each semester if a student registers for nine (9) or more credits or registers as a full-time student.

It is the student's responsibility to waive the Wellness Center Fee **before** the last day to add a class each semester. **The deadline for spring 2015 semester is August 31, 2016.**

The Wellness Center Fee must be waived each term before the last day to add classes as published in the University of Miami Academic Calendar.

Please note that failure to use the Center's facilities will not relieve you of your obligation to pay your fee once the waiver deadline has passed.
