GRAND ROUNDS

Healthcare 101 – District 11: Miami-Dade and Monroe Counties

The Health Council of South Florida is part of a statewide network of 11 non-profit agencies established to conduct regional health planning and implementation activities. Ms. Losa will present on the Health Council's roles, responsibilities, and initiatives in these innovative health planning and implementation efforts.

She will highlight how the Health Council's mission serves as the guide toward fulfilling the Health Council's vision of improved access to health care and reduced disparities in health status for underserved populations in District 11: Miami-Dade and Monroe counties. Specifically, she will discuss how the Health Council collects, analyses, and translates data which identifies community resources and gaps.

Ms. Losa will also discuss how assessments are utilized to create the pathways necessary to improve the health of the community. She will use the Miami-Dade Health Action Network and Miami Matters as examples.
